In Memoriam

"Good night. Ensured
release,
Imperishable peace,
Have these for yours."

DANNY LEE FOUTS
1942-1957

On Monday, August 26, our hearts were saddened by the news of the death, August 14, of our fellow friend and student manager, Danny Lee Fouts. Danny entered our school in 1948 as a first-grader; he had completed his freshman year in high school. It is hard for us to realize that his place is now empty.

Class History

We began our green freshman year with nineteen members. We elected the following people as our class officers: President - Jim Hazelrigg, Secretary-Treasurer - Sherry Marquis and Class Sponsor - Miss Kester.

The seniors initiated us and we were now accepted as official members of Deedsville High School. We had a bake sale at Central Murphy's in Peru.

In our sophomore year we welcomed Larry Lawson. Ann Patton moved to Bunker Hill and Shirley Binkerd moved to Butler. Our class officers were: President - Carole Payne, Vice President - Janet Eilers, Secretary-Treasurer - Glenda Dickerhoff, Student Council - Jim Hazelrigg and Class Sponsor - Mr. Metzger.

We had a skating party at Rock Lake Rollercade. In March we had a box social and square dance which helped increase our treasury.

We welcomed Vera Awker to D.H.S. for our junior year and during our junior year Larry Lawson moved to Kirkland. We elected our class officers as follows: President - Carole Payne, Vice President - Glenda Dickerhoff, Secretary-Treasurer - Sherry Marquis, Student Council - Jim Hazelrigg and Class Sponsor - Mr. Shoemaker.

We sponsored two skating parties during the year. In October we took part in a play with the seniors entitled, "ACCIDENTAL HERO". In March we had a carnival which increased our treasury very much. On April 12, 1957 we entertained the seniors at the schoolhouse with a ham supper and a film.

In 1957 we climbed the steps for our final year at D.H.S. Carole Payne moved to Argos during the summer. Janie Patch joined us from Montana, making a total of nineteen in our class. We elected our class officers as follows: President - Jim Hazelrigg, Vice President - Dale Fouts, Secretary - Sherry Marquis, Treasurer - Bill Knauff, Student Council - Janie Patch and Class Sponsor - Mr. Ellers.

We had a skating party and a scrap drive the first semester which helped increase our treasury. We exceeded our goal in the selling of magazine subscriptions. As a result we enjoyed a ham supper given by the company.

Our Baccalaurate date has been chosen as May 11, and Commencement as May 12, 1958. Our class colors are blue and white and our class flowers are red and white roses.

For our Senior trip we have decided to go by train to New York and Washington, D.C., leaving on May 18.

We wish the undergrads the best of luck and we will remember that:

"WE HAVE CROSSED THE BAY; THE OCEAN LIES BEFORE US."

Class Prophecy

It was the year 1975. In the town of Sleepy Hollow we find that it is the night for the inmates of Siders's mental institute to make their annual break for freedom. The four inmates who make their break this fateful night are Sherry Marquis, Jerry Cole, Jerry Sarver, and Vera Awker. The reason for their captivity are: Sherry Marquis insists that she is a jet pilot in the U.S.A.F., Jerry Cole has a battered guitar and spends hours singing and telling people that he is Elvis Presley, Jerry Sarver had a nervous breakdown after 15 years of married life and still wears an apron and carries a dish towel, and Vera Awker insists she is a majorette in her one-man band and still wears her twirling suit from Deedsville High School.

They make an odd looking foursome walking down the back streets of Sleepy Hollow, Jerry with his guitar, Sherry with her pilot suit, Jerry S. with his apron and dish towel and Vera with her twirling suit.

Marvin Siders, head psychiatrist of the Siders Institute for the Mentally Ill, sends out the alarm to Town Marshall, "Peanut" Hoover, who is engrossed in a poker game with his Deputy, Dale Fouts. Meanwhile, Jo Ella Balsbaugh, a nurse at the Institute, lost her head in the excitement, leaped on a horse and ran up the street calling, "To arms! The British are coming!" Marvin smiles in pleasure for he gets $150 a month for each inmate.

Meanwhile, back at the bank, Timid Tom Leedy and his gang including Wild Bill Knauff and Jim (Whiskers) Hazelrigg enters. Dave Moulton, president of the bank, slumps in a dead faint and hits his head on the floor, making a hollow sound. Patty Fitzpatrick, head bookkeeper, keeps a cool head and grabs the fire extinguisher. Timid Tom's gang rush out of the bank just in time to rundown Mayor Joe Sarver. The mayor lies on the sidewalk, grumbling about touchdowns, tackles, etc., seemingly believing he is in the midst of a college football game. He is the next inmate in Marvin's institute. Dave Moulton comes to, shakes his head dizzily, and states that in his next bout with Jack Dempsey, he will K.O. him in the first round He is the next inmate. Patty Fitzpatrick, still holding the fire extinguisher insists that she is a spaceman and the fire extinguisher is her ray gun. Mary Donna Hunt and Janie Patch, waitresses in Jane Heckathorne's cafe, both go crazy with fright as Timid Tom's gang walk in the door. The whole gang now believes that they are pirates. Marvin enters with straight jackets and takes the five new prospects to his delivery wagon. Janet Eilers and Glenda Dickerhoff, who have been happily married for some time, come to the institution to visit all their old friends. Unfortunately they never return. The class of '58 are all happily reunited and all feel about the same as they did in '58 - penned up and crazy!

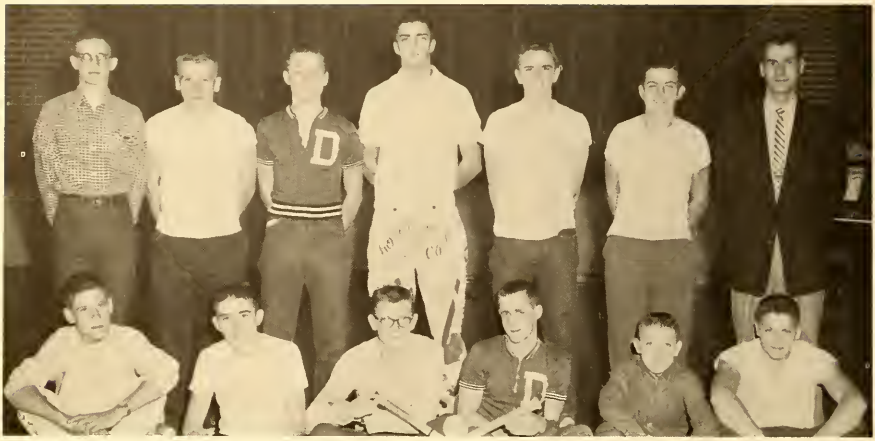
A Message From Coach Ellers

The Deedsville Trojans started with a good start this season. After the first two victories, injuries and sickness took their toll on the members of the squad. We were not able to assemble the whole squad for any three games in a row.

We played very good basketball against the best competition in the region. We hope to be in tip-top shape for our sectional in Peru.

The loss of Leedy, Sarver, Cole, and Hoover will be felt by next year's squad. But with the return of many experienced boys, Kindig, Mawbey, Witmeyer, and Alexander the 1958-59 edition should have plenty of experience and a good nucleus to start with.

Softball



FIRST ROW: Joe Sarver, David Dawalt, Bill Knauff, Denny Alexander, Earl Deeds, and Jerry Deeds. SECOND ROW: Jerry Cole, Bob Kindig, Alfred Witmeyer, Tom Leedy, Basil Mawbey, David Eikenberry, and John Ellers (Coach). Absent: Tom Hoover and Jim Hazelrigg.

The softball team played good ball this season, but not good enough to win all of their games. The mighty Trojans won three and lost five games. They played Butler, Chili, Gilead, and Mexico. They beat Butler twice and Gilead once.

They wish the team of 1958 and '59 the best of luck.

Coach Ellers will lose the following seniors:
Tom Leedy, Tom Hoover, Jerry Cole, Bill Knauff, Jim Hazelrigg, and Joe Sarver.
